1. The present Appeal No. ISBBI/A/E/21/00005 dated 16<sup>th</sup> February, 2021, has been filed by Mr. Shankar Kumar Dhamu (Appellant), before the First Appellant Authority (FAA), Insolvency and Bankruptcy Board of India (IBBI) under the Right to Information Act, 2005 (RTI Act), against the disposal of the RTI Application No. ISBBI/R/E/21/00012 by the Central Public Information Officer - CPIO (Respondent) on 12<sup>th</sup> February, 2021.

4. Comments of the respondent were called for. The respondent has submitted that *“the Appellant has sought information in the appeal which is not sought in the RTI Application. Further, the information sought may be accessed in the IBBI website and the link of the same is given below:- <https://ibbi.gov.in/claims/inner-process/U45201RJ2007PTC024455>.”*
5. On perusal of the Application submitted by the Appellant for seeking information under the RTI Act and the appeal made thereafter, it is observed that Appellant has requested for documents which were not part of the original RTI application.
6. In this regard, this FAA notes that allowing such a request at the appellate stage would result in expanding the scope of RTI application which is not permitted. The Hon'ble CIC in its order in the matter of *Shri Harish Prasad Divedi Vs. Bharat Petroleum Corporation Ltd.* in Case No. CIC/LS/A/2013/001477SS observed:

*“7. Having heard the submissions and perused the records, the Commission agrees with the Respondents that the information now sought by the Appellant in the present appeal did not form part of his original RTI application. Therefore, the Commission is not in a position to allow the disclosure of the information which had not even been sought by the appellant in his RTI application. An information seeker cannot be allowed to expand the scope of his RTI enquiry at appeal stage. No disclosure can, therefore, be directed to be made in the present appeal of the Appellant.”*

In the light of the above, the information sought for as above, is not required to be dealt with by this FAA.

7. Accordingly, this appeal fails and is dismissed.
